

DIGITAL DISRUPTION

Polish-American Science and Technology Symposium
at Silicon Valley and Stanford University campus

POLAND DAY 2019

MAY 1-3, 2019

The 2019 Poland Day Symposium will focus on Digital Disruption, its socioeconomic effects and trends in Polish, American, and global markets. Distinguished experts from the U.S. and Polish universities, industry and government will debate the symposium topics and entice active participation from the audience.

DEBATE TOPICS:

- **Digital disruption in medicine**
- **IT security and privacy**
- **Fin-tech and banking**
- **Smart society, transport, and energy**
- **Gaming and e-sports**
