info@usptc.org

US-Polish Trade Council (www.usptc.org), a co-organizer of the Silicon Valley Global Technology Symposium (www.globaltechsymposium.com), cordially invites you to join us for GTS 2012 Poland Day to be held at Intel on March 31st.

Poland Day at GTS 2012

From start-up to global corporation – local, regional and national conditions needed

Poland Day is a one-day conference bringing together entrepreneurs, technology, and financial thought leaders from Poland and from Silicon Valley, as well as international participants from GTS2012. It offers a premium opportunity to discuss critical innovative economy topics as well as to create connections in an international forum focused on Poland.
